

A Command Towards Every Nation

Dan Weston

How do you make disciples?

1. Share the Word
2. Show the Word
3. Teach the Word
4. Serve the World

Sanctification Levels:

1. Positional
2. Progressive
3. Ultimate

How does the Sanctification of ourselves relate to the command of going, and making disciples?

1. We dedicate ourselves to the purpose of making disciples, for the transformation of others.
 2. We depend on the process of making disciples for our own continued transformation.
 3. Always learning, always growing in Christ. It should be a never-ending process until we're with Him in eternity.
-
- Christ's power is made more evident in our lives when working through our weaknesses'
 - If you don't take the first step in obedience to God's commands, you'll never experience the power of Jesus Christ working through the Holy Spirit in yourself.
 - Are we too busy making our own way in life that the things of God gets pushed to the side?
