

Focusing on the Cross of Christ

Galatians 6:10 – 18

For of His fullness we have all received, and grace upon grace. For the Law was given through Moses; grace and truth were realized through Jesus Christ.

John 1:16 – 17

- People focus on the **corrections that others need to make** in their lives to avoid **examining their own need** for improvement (6:10 – 13).
- Jesus Christ's work on the cross is the **most pivotal** point in history (6:14 – 16).
- Standing for the **truth of scripture** often means being opposed by both the **world** **and other Christians** (6:17 – 18).

Application:

- Believers should always remember the grace they have received from God.
